## MACHINIST OAK TOOL CHESTS

This red oak set is a classic American style rolling set constructed entirely in solid wood. This is a great set for toolmakers to store their precision tools. This set is perfect for a multitude of usages ranging from moisture free storage of precision hand tools to hobby storage.

10 drawers in the top chest provide ample space for storage of a variety of your items. Great for multiple compartmented storage of craft items, stamping and stencil tools, pocket and various other small items that need neat and organized storage.

6 drawers in the middle base provide ample space for storage of a variety of your items. This cabinet is perfect for a multitude of usages including moisture free storage of precision hand tools.

6 drawers in the roller cabinet provide ample space for storage of a variety of your larger items. Top drawer is a reversible work surface or shallow parts drawer depending on which side is facing up.

Ball-bearing slides in the roller cabinet insure ease of drawer movement even with a heavy load. Each of the roller cabinet drawers are rated to hold up to 60 lbs.
